Pick It Off Your Shoulder . . . **"KUBUSH"** . . . Kick It Into Another Square

This is the story of "KUBUSH," what he is, and what he does, for Square Dancing. Jim Keating of Chicago, the founder of the "KUBUSH" Club for Square Dancers, says "KUBUSH" is an Irish leprechaun, a devilish imp, from Irish folklore. Jim says that many times in spite of the "unparalleled intelligence of the (8) eight people in our square, we were not doing quite the same dance that the caller was calling, or worse yet, for some unknown reason we in our square were just standing, waiting for the caller to say promenade, or grand right and left, or swing your partner, or something we knew how to do. After a thorough study we discovered what was happening; "Yep" it was "Kubush," imitating the caller's voice and changing the call to suit himself, or sometimes translating the call to a sort of Irish "Gaelic gibberish" that no one understands. So whenever you are having any trouble in your square, and none of the "Ladies" or "Gents" are at fault, you know immediately who is to blame, it's "Kubush" at work, fouling up your square, it now becomes necessary for each of you to reach up and remove this imaginary little critter, off of your shoulder, away from your ear, and throw him on the floor in

front of you, and making a sort of brushing motion with your right foot slowly and slyly you sort of brush him out of your square, even into the next square if they don't see you. When you learn to

THANK YOU!

Friendship is one of the greatest things on earth, and we consider ourselves very lucky to have so many, and wish to thank them all for their nice presents and cards we received before and after our marriage. May God Bless All of You.

LILLIE MAE and SWEDE.

keep "Kubush" (on hand) and use him whenever you need a "fall guy," you will all have more FUN, and each of you will be doing your part to keep square dancing the wonderful enjoyable activity that it should always be for everyone.

The "KUBUSH" Square Dancer's Club was instituted because so many dancers were as enthused about the prospect of having such a nationally organized group. Membership in the club is open to all qualified beginners, in-

termediate and advanced square dancers, who firmly believe in the club's precept. That Square Dancing IS and SHALL ALWAYS BE fun for everyone. The club has an official sign and countersign with which club members may salute and acknowledge the salute of any member or members that they may meet at any festival, institute, club or jamboree dance, at home or away from home. Consider the magnitude of such a nationwide organization, which is dedicated to the FUN and FRIENDLINESS of square dancing. The club also has an official, appropriately designed, replaceable showcard, badge, made to accommodate a new or different showcard insert from time to time, to proclaim some local or national square dance event.

The initial cost for membership is one dollar (\$1.00) per couple, each and every member will receive an official badge, (having a space in it for the member's name), as soon as possible after we receive the applicant's membership fee and their printed names and addresses.

The address of the club headquarters is: The "Kubush" Square Dance Club, 8015 South May Street, Chicago 20, Illinois; c/o Jim Keating.

NEWS FROM DISTRICT 1

By ARNA MAY MOSS

Square Dance Christmas parties in our district helped to bring on the season of merriment and gaiety and fellowship to all our dancers. The first of these was given by the BAR B Club at the WOW Hall in Beaumont, Dec. 8th. Music was by Neal Arnold's band, lots of good callers and enthusiastic dancers! Next party was given by the Wagon Wheel Club Dec. 13 at the YMCA. Emcee for this was Bill Stark. Though this was a record dance, it proves that we can have fun anyway, even without a band. Next came the Square D's Christmas party, with Obie O'Brien, President of the Circl 8 Club, as guest emcee and Bud Case, President of the Square D as the other emcee. Neal Arnold's band furnished the music. The next night the Whirlwind Club held their traditional Christmas party with Ray Chance and Louis Perdreauxville as emcees.

Jeans & Queens Club held a party which, though not strictly a Christmas party, also combined that with an installation party for their new class which they graduated. The class was taught by Royce Barfield of Sulphur, La. This is the club who, last month, had such a wonderful party featuring one of our favorite callers, Red Warrick, from Kilgore.

New president of the Jeans & Queens is Joe LeBouef.

A&M School of the Manning Smiths was very successful we have heard from several sources. The Clyde Sweeneys from this area attended part of it. We understand that all who could not attend missed quite a treat in not hearing Bruce Johnson, from California, who sounds even better than his records, they say. Nita and Manning also presented several well-received round dances, that we'll probably be seeing in this next year to come. Sorry we could not attend.

In Memoriam: Into each year some sadness must fall, along with our many pleasures. This year all our area square dancers are sad over the loss to both the Whirlwind Club and the area in general of one of our ardent enthusiasts and a fine man, Ray Chance. He passed away suddenly just two days after the Whirlwind party. Ray had been active in square dance circles since its beginning in Port Arthur, had been a mem-

ber of several clubs in Port Arthur and had taught numerous classes, without personal remuneration, for the clubs. He was a past president of the Whirlwind Club and was admired and respected by all who knew him.

Our District Dance held at the Harvest Club, Jan. 5, was very successful and attended by representative groups from all the clubs. Andy Lyons was program chairman for the dance. Emcees were Al Treppke, President of the Houston Square Dance Council and Andy Lyons, past president of the Bar B Club of Beaumont.

STATE CONVENTION MEETS IN AUSTIN FEB. 1-2

First State Convention of the Texas Square Dancers Association will meet in Austin, the Convention City, Feb. 1 and 2 at the Coliseum there. All leaders in square dancing are urged to attend this meet, and two good dances are promised in addition to the meetings and election of new officers.

HOUSTON R/D FESTIVAL FEB. 9

The Fifth Annual Couple Dance Festival will be held in Houston, Feb. 9, at the Mason Park gymnasium. It has been planned by the Earl Eberlings, assisted by the Leland Lawsons and the Tom Mullens. The workshop will feature five nationally known round dance

teachers: The Homer Howells of Oklahoma City, the Ralph Maxhimers of N. Hollywood, the Roger Knapps of Corpus Christi, the Manning Smiths of College Station and the Manfred Holcks of Austin.

Thanks to the many folks from over the country who wrote on their Christmas cards to tell your editor that they have enjoyed getting the news and views. Several said they passed them around to other square dancers and we have also had inquiries from various places about the procedure in organizing other state square dance groups. We are happy that District No. 1 has been able to afford this service to the aid in the promotion of square dancing!

March 9—Harvest Club, Beaumont, workshop. Sponsored by Beaumont S. D. Council.

Next District meeting: Feb. 10, Presbyterian Recreation Hall, Pt. Neches. Morris McCall will preside in absence of Jack Baker, who will not be able to attend.

ART COSGROVE IS OKLAHOMA SQUARE DANCE PRESIDENT

Art Cosgrove, 1929 Hasley Dr., Oklahoma City, has been elected 1957 president of the Oklahoma State Federation of Square Dance Clubs and will officially take office February 1. During the past year Art has served as second vice-president of the Federation, and chairman for the State Festival.

Other new officers include: Jack Wadlin, 4235 S. Oswego, Tulsa, first vice-president; Harbert Newton, 2331 NW 21, Oklahoma City, second vice-president; Stub Davis, Waurika, third vice-president; Wyme Shelton, 1114 NW 12, Oklahoma City, secretary, and Paul Allison, 2218 NW 55, Oklahoma City, treasurer. Hugh Marfarline, 3127 East Archer, Tulsa, is the outgoing president.

Principal project for the spring season for the State Federation will be sponsorship of two special trains to the National Square Dance Convention in St. Louis, June 13, 14 and 15. Already more than 300 dancers have signed up for this trip. Howard Thornton, 2936 Bella Vista, Midwest City, is Trains Director and inquiries should be directed to him. Danc-

ers from the entire Southwest are participating in the huge excursion.

November 2, 1957, the Eleventh Annual Oklahoma State Festival will be held in the Oklahoma City

Municipal Auditorium. The Zebra Room, huge hall used for the 1955 National Convention, will be used next fall in addition to the main auditorium to better handle the growing crowds.

FORT WORTH CALLER'S CLINIC TO MEET AT POLY REC. CENTER

Every 4th Sunday is the date for the Fort Worth Callers' Clinic, and the place is Poly Recreation Building, located on corner of Hawkins and E. Rosedale. There will be both square and round dancing, and the Rhythm Out-laws will handle the music.

This is an event all dancers should take advantage of, so let's all sashay over there and have us a real good time.

LET'S WAKE UP!

The policy of Balance & Swing for the past four and a half years has been to stay out of controversial matters, and instead print both sides of controversial subjects.

But we are being forced at this time to let off a little steam.

The subject is on "Clubs" and why so many of the new dancers refuse to join up, and/or stay away in droves from the dances.

The fault lies with the members of the clubs!

Too many beginner dancers have come to us with their tale of woe, and they consist of about the same thing: "The unfriendliness" of members in clubs they have visited, and the members' reluctance to dance with them.

Square dancing is and always has been one of the top recreations to be found anywhere and it is known all over the world for the friendliness and fellowship that it brings. But it seems like dancers in our area are getting away from the spirit of the thing.

Let's take a look at ourselves and see what is wrong:

Beginner couples decide to attend a club dance. As they arrive at the door they are welcomed with big smiles and friendliness—until they have plunked down the admission price. After that they are really on their own! The dance is starting, some are calling for a couple or two to fill their squares. So the newcomers hustle over and fill in. The caller, whom they may be unfamiliar with, starts off and everyone is smiling and enjoying themselves. Then, all of a sudden the newcomers "goof"! Heavens to Betsy! You can hear some of the "good" dancers mutter under their breath, and those side-glances, boy, you sure got on that unwelcome list in a hurry. Perhaps you "goof" some more. Then, after the set is over, the new couple goes over and sit by themselves, and they are lucky if they ever get into another set. And the so-called "good" dancers tell their friends (also "good" dancers), what a terrible thing it was to dance with those "beginners."

In lots of cases these newcomers leave before the evening is over, telling themselves, "never again." And you can't blame them.

And quite a few dancers have been lost to the square dance movement for treatment such as this.

Another reason is the "cliques" that you find in almost any club. They rate themselves as "The Best," have their own (in most cases) set squares, and refuse to hobnob with anyone that in their opinion is not up to their standards. Boy, what "standards!"

These dancers, who classify themselves as the "best" make mistakes, too. But what a difference it is then. They laugh it off and alibi with that they didn't "hear" the call. Our explanation: They didn't dance what the Caller called!

Something these "good" dancers seem to forget is that they were beginners once; of course, they don't like to be reminded of that.

Until something is being done in clubs to make these new dancers feel at home, clubs will have a hard time meeting expenses, and getting new "blood," something which almost all clubs need.

We are happy to say that there are a few exceptions to the above, but oh so few!

Here's some good and proven suggestions that it would be wise to follow. And we guarantee results:

Elect a welcoming committee in your club, to serve, let's say, three months. Their duties: To welcome strangers and new dancers; take them in tow; introduce them to officers of the club and the Caller. See that they are placed in squares, and see that they get to dance as much as they desire. Show them you appreciate their fellowship; have them introduced at the intermission to other dancers; invite them to be first in line at refreshment time; AND, at the end of the dance, thank them for visiting you and welcome them back. After that you can be sure that they will be back, and perhaps will be more than glad to join your club, and accept responsibilities attached thereto.

And, try to do away with those "cliques"; they really harm your club.

And if the shoe pinches you—you are the one that is wearing it!
THE EDITOR.

ST. LOUIS SPECIAL TRAINS BULLETIN

Quoting from a letter from Fred Rein, General Manager of the St. Louis Convention Bureau: "Because of the severe shortage of downtown hotel rooms in St. Louis, we can only hold rooms at the Sheraton-Jefferson Hotel for the Oklahoma State Federation of Square Dance Clubs until February 1, 1957. At that time, any rooms remaining that have not been assigned to definite individuals will be assigned to others attending the National Square Dance Convention who have previously requested accommodations at this Hotel."

This makes January very vital, for after February 1, we may be out of business—therefore it is very important to spread this news over the entire state and urge all dancers to make their reservations DURING JANUARY. In case dancers later find they cannot make

the trip, a complete refund will be available anytime up to May 1. Read the following information very carefully so you'll be fully informed on all trip details:

Gold loving cups will go to first, second and third place clubs having the largest percentage of their bonified members making the train trip. Dancers belonging to more than one club may count in the percentages of all clubs of which they are active paying members. Clubs must have 10 or more couples making the trip to participate. The contest ends at 6 p. m., May 1, 1957, and percentages will be based on club membership as of that date. By this deadline Clubs desiring to participate must submit a list of their members making the trip together with a complete club roster to Howard Thornton, Trains Director, 2936 Bella Vista, Midwest City. (Clubs will not be in the contest unless this is done BY THE CLUBS). Cups will be presented to winners at the huge Southwestern Square Dance Banquet in St. Louis.

Oklahoma's Night Out is proving very popular. Late word tells us we will see the fabulous Rogers and Hammerstein production "South Pacific" at the Municipal Opera. Chartered buses will pick everyone up at the hotel at 4:30 Thursday (you can attend the Convention ALL DAY up to this time—no Special Train callers or exhibition groups will be assigned to Convention spots during the NIGHT OUT), and take them direct to the streamlined air-conditioned riverboat, "THE ADMIRAL," for a 2-hour daylight cruise down the Mississippi River, then by chartered bus we'll go to the Municipal Opera in Forest Park where we have a block of 1000 of the best seats reserved. 29,000,000 people have seen the Municipal Opera and that many CAN'T BE WRONG. After SOUTH PACIFIC our chartered buses will return us to our hotel. (Tickets for your friends and relatives will be available for this "NIGHT OUT.")

Hotel space in St. Louis is going to be the only limiting factor on this trip. As reservations are received, they are assigned a priority number. Double and twin rooms each carry six different rates (with a variation of \$6.50 from the least expensive to the most expensive room). Shortly after April 1 each train member will be sent a blank on which he will indicate his choice of room

and rate. Rooms will then be assigned according to the original registration number. When rooms in a particular price class are gone, registrants will be assigned to the next higher rate (as you can easily see, early registration could save YOU many dollars in St. Louis — don't hesitate — ACT NOW!!)

To avoid disappointment make your reservations and urge your friends to make theirs at once! Send your \$1.00 per person deposit immediately to Howard Thornton, Trains Director, 2936 Bella Vista, Midwest City, Okla.—Phone PE 2-3487. This is vital — don't delay!!!

CLUB '54 CELEBRATES THIRD BIRTHDAY

The Birthday Dance celebrating Club '54's third year was a warm, wonderful success. Thanks to all who attended. Dancing was really fine with such guest callers as Elmer Tampke, Jimmy McManus, C. A. Guest and Adren Hill, along with the Club's regular caller, Bob Wilson.

New officers for 1957 were announced and introduced as follows:

Pres., Herb and Ruth Sholl; Vice-Pres., Bob and Margaret Potoff; Secy.-Treas., Harry and Alma Scott; Chrm. of the Board, Billy and Wanda Richards.

Directors: Clifford and Toya Delk, Cecil and Rema Smith, Ray and Dot Stana, Wilburn (Tince) and Corrine Wilson, Terry and Frances Vinsey, Tom and Helen Ray, Joe and June Chapman.

The next dance of Club '54 will be Friday, Feb. 1, with Bob Wilson doing the calling and the Western Dance Hands furnishing the music.

Then, another big one on Friday, Feb. 15, when the club will have a Valentine Covered Dish Supper. Guests are requested to bring a covered dish along with silver for the amount in their party. The Club will furnish the extras.

Supper will start at 7:00 p. m. with the dance beginning immediately afterwards.

Cavalero Lodge Sets March 30 For Next All-Night Dance

The next big all-night dance at Cavalero Lodge has been set for March 30, and big plans are underway to make it the biggest and best yet. These dances have proven immensely popular in the past, and we have no reason to think they ever will diminish in popularity.

More details in our February issue.

SKIT SKAT CLUB NEWS (DALLAS)

The Skit-Skat Club, first of all, would like to extend the New Year's greetings to all of our square dance friends and we hope this year brings you much good fortune and much happiness.

We are sorry if you were unable to come to our Anniversary Dance in December. A host of dancers helped us celebrate our third anniversary by dancing to our Jimmy McManus and to our guest, Raymond Smith. Having 2 callers proved to be so much in favor, that the members have since voted to occasionally do it again. Both Raymond and Jimmy gave us a well-rounded program and we all had a wonderful time. The hall was beautifully decorated in a white and gold theme under the direction of Millie Vallade. Mavis Fudge, who was in charge of refreshments, assisted in the cutting of the biggest cake the Skit Skat Club has had.

A Christmas Party for the members was planned under the direction of Dortha Crosby. This party was in the form of a "box supper" with the boxes wrapped as Christmas packages and auctioned off. The Club enjoyed dancing to Jimmy McManus' calling after the boxes had been opened and the contents eaten.

From the last business meetings held, it looks as if still greater events are in store for the Club. You are invited to come out every first and third Saturdays and join the fun at Cavalero Lodge.

We hope to see you at one of our dances real soon. You'll be glad you came.—Mildred Coffey.

THE "KUBUSH" STORY

Below is printed a letter from Jim Keating, telling of the "Kubush" movement in Illinois. (See story on another page this issue).
Dear Editor:

Here is a copy of the "Kubush" story, we hope you will be able to comfortable feeling to have been print it in Balance and Swing.

We organized this club and started to distribute badges early October, 1956, and have already issued over 400 badges. We feel our club is contributing its part to the fun and fellowship of Square Dancing. It is a most unthe couple who fouled up a square. (I wonder how many square dancers we have lost on

this account—plenty I'll bet). How much more fun if the other six like all "Kubushers" will join the "guilty" couple in kicking "Kubush" out thereby dividing the "blame" and adding to the fun.

Wishing you a New Year of Happy Square Dancing.

OKLAHOMA SPECIAL TRAINS TO NATIONAL S/D CONVENTION IN ST. LOUIS

Advanced reservations have passed 300 for the two special streamlined Santa Fe trains sponsored by the Oklahoma State Federation of Square Dance Clubs which will take dancers from Oklahoma and surrounding states to the Sixth National Square Dance Convention in St. Louis next June 13, 14 and 15, according to Howard Thornton, Midwest City, Trains Director, who is supervising all planning for the huge excursion.

Both trains will leave Oklahoma on June 12 with special connections planned for dancers in Texas, Kansas and other nearby states. Several reservations have been received from California dancers who will come to Oklahoma to ride the Specials. Trophies will go to the three Oklahoma square dance clubs which take the largest percent of their members on the special train trip. Maximum space available in hotels and other facilities is 1000, which is expected to be taken long before Convention time.

Oklahoma dancers have reserved the entire Sheraton-Jefferson Hotel for passengers on these trains. A special Southwestern Square Dance Banquet will be held Friday evening of the Convention in the Gold Room of the Sheraton-Jefferson. Adolph Treichler, Oklahoma City, is serving as banquet chairman.

"Oklahoma's Night Out," will feature a 2-hour Mississippi River cruise on the air-conditioned riverboat, "The Admiral," which has been chartered exclusively for special train passengers. Following the cruise, the 1000 dancers will move by chartered buses to the famed Municipal Opera in Forest Park. Jack Wadlin, Tulsa, with the title, "SS Admiral' Admiral", will have charge of boat entertainment. Paul GraVette, Oklahoma City, will have charge of chartered bus entertainment.

Requests for information and registration blanks, and reservations for the special trains should be sent to Howard B. Thornton, Trains Director, 2936 Bella Vista, Midwest City, Oklahoma. Those desiring to make the train trip are making a ten dollar per person deposit to reserve the limited hotel space.

SQUARE DANCE CLASS STARTED AT IRVING

Bob Wilson has another large class going this term in Irving, and much enthusiasm is being shown by the beginners, who are coming along fast.

NEW YEAR'S EVE PARTY

John and Frances Schmidt and Ray and Rosella Smith were hosts to the 168 square dancers who gathered at the Wheatland Square Dance Center, Plainfield, Ill., for a gala New Year's Eve of dancing to the calls of Ray Smith, Joliet.

There were the traditional favors of hats and leis and noise-makers at midnight. Marshall Cleameau represented 1956 in appropriate costume, while Norman Riddle was attired as 1957. The two danced "The Happy Polka."

Gifts from under the tree were awarded to Harvey Wietting, La-Dessa Chapman, Harold Metzger, Milton Stallman, Tom Jones and Harry Rockenbach.

Shortly after midnight, the dancers served themselves from tables of bounteous and attractive arrays of delicious home-prepared food. More dancing followed the supper, and thus began a new year of square dancing for the friendly and enthusiastic group that had gathered together to make this

year's celebration the best yet! Former residents of this area, Dale and Joan McArthur, Spring-

field, Missouri, and Larry and Mabel Herzog, Rapelje, were among those present.

Al Brownlee (The West Texas Cyclone) from Odessa, will be calling for the Elk's S/D club in Durant, Okla., Feb. 9th, and in Lubbock on April 18th.

Al, (short but loud), is fast proving to the dancers over the state that he ranks among the best. He was very well received at a dance in Dallas a couple weeks ago, and it is a real pleasure to dance to him.

Besides his many calling duties, Al is teaching a beginners' class sponsored by the Jeans and Queens S/D club and the Ector County Rec. Dept. He also has a group which he teaches advanced and "high-level" dancing, emphasizing on styling.
